Sai no Kuni Iryo Fukushi Renkei Jigyo Kyodo Kumiai
(Sai no Kuni Health and Social Welfare Cooperative)

Our cooperative was established as a medical and welfare union with the support of Yoshinosato Group, which operates hospital and nursing facilities in the Hiki area, Saitama Prefecture.

I will do all efforts to provide the system as a specialist such as supporting business management, securing and nurturing of human resources utilizing human resources from overseas according to my knowledge and experiences in health, medical, social welfare administration in Saitama prefecture for many years.

I will be happy if it can contribute to the development of my hometown as well as helping the activities of medical and welfare companies with the same will.

(Sai no Kuni Health and Social Welfare Cooperative)

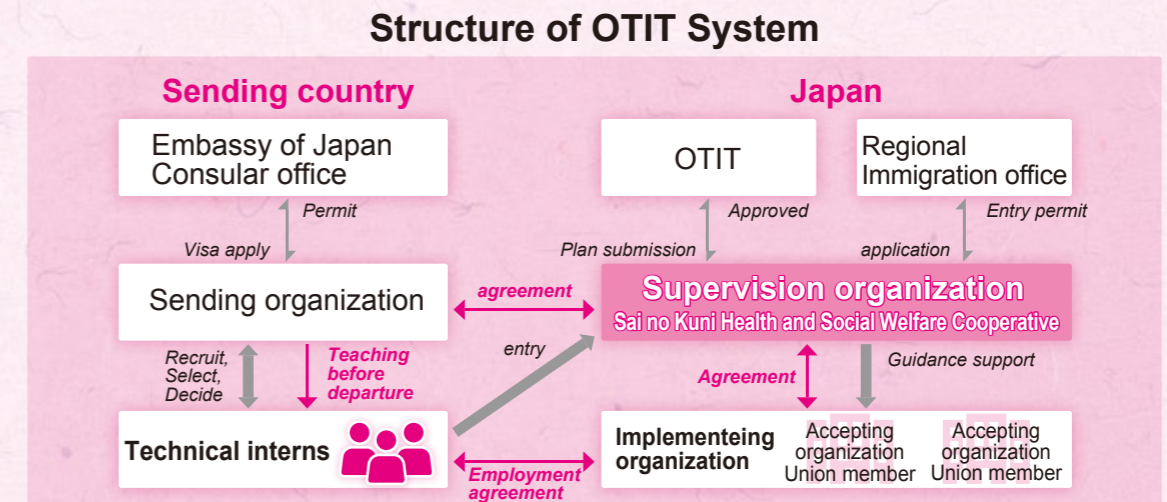

Joint purchasing business

By purchasing the sanitary goods including disposable diapers in a batch, the union can reduce purchasing costs and can supply consignment products at low prices.

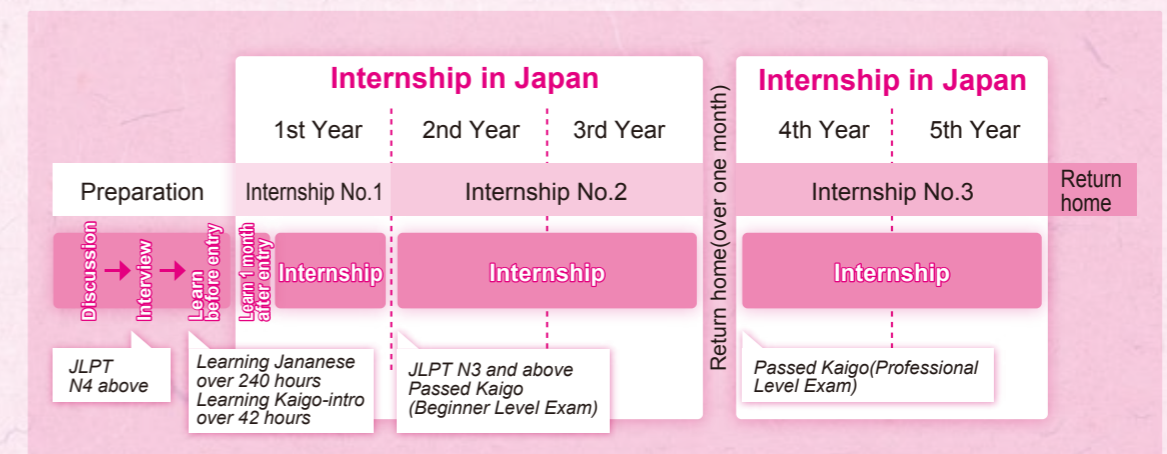

Joint acceptance business

We will work on developing and securing human resources by utilizing the Overseas Technical Intern Program, which was created with the aim of contributing to human resource creation in developing countries in Asia.
